

**For issues listening to Town Board Meeting Audio on your phone, you may need to download an app.**

[Videolan.org/vlc](https://videolan.org/vlc)

1. After the app is downloaded, choose the audio file on our website. Your phone may ask you to Download it.
2. Some phones may say “open in” to allow you to choose VLC.
3. Or -- where there is an Upload arrow (see below), do that and the option to open with VLC should appear.
